# SLANGHOEK LEGENDS BARREL FERMENTED CHENIN BLANC

---

## PRODUCT INFORMATION

**VINTAGE** 2019  
**VARIETALS** 100% Chenin Blanc  
**ORIGIN** Slanghoek Valley

## VINEYARDS

The vineyard is trellised and more than 30 years old. It is planted on a deep, rocky terrace with a continental climate.

## WINEMAKING

The juice from these hand-picked grapes started fermentation in stainless steel tanks. After 5 days of fermentation at 16°C, the must was transferred to second and third fill French oak barrels to finish fermentation. The wine was kept on the lees in the barrels for a further 20 months, with regular batonnage to create a decadent mouth feel.

## TASTING NOTES

This Chenin Blanc showcases the effort we make both in the vineyard and in the cellar to craft an elegant and perfectly balanced wine. You will experience a wine that is full bodied and shows refined fruit expressions of pineapple, lime and apricots, interlaced with nuances of butterscotch on the nose. Fermented and aged in oak barrels that complement the fruit characters with a lingering velvety finish on the palate.

## FOOD PAIRING

This wine can be enjoyed with creamy chicken dishes, curries and a succulent piece of fillet steak.

## ANALYSIS

Alc: 13.24%      TA: 5.6 g/L  
RS: 5.1 g/L      pH: 3.58
